**Abigail Mendoza**...An aimless soul lights Tokyo with her wispy flames

**Abigail Riportella #1**... zombie

**Abigail Riportella #2**... Reaper...they can take any form they want, this one is ghostly with crazy eyes.

**Aja McEwen**...An faceless child wonders in the dark forest, transforming into your worse nightmare.

**ALEXANDRA GOMEZ**...Bottling up your emotions for so long that you eventually forget how to feel, eventually forgetting who you are and find yourself a mindless robot.

**Andrea Garcia Chavez**...Medusa's snake helps her get people to Medusa so she can turn them into stone.

**Anthony Locasio**... Through the hills of Ireland lies the heart of the will o' a wisp.

**CAROLINE GRAD** ...represents a mermaid trio

**FREDERICK SCHRAMM**...The city's White Knight battles the darkness, blanketing the city with truth and justice.

**JESSICA KUCZYNSKI**...Memories flicker in the back of my mind like an old film reel, faded yellow with time, replaying the gentle landing of an angel... or perhaps the calculated descent of a harpy on the prowl.

**JOHN CALAS** ...is about a girl who finds her freedom

**Kara Atwood #1**...Nightmare: when monsters try to get you while you're sleeping.

**Kara Atwood #2**...Sunshine: the warmth of sunshine brightens the spirit.

**Katherine Nohelty**: Medusa

**Katrina Rectra**...a girl controlling a demon dog spirit pass down generations to generations in their family.

**Klaudia Kmiecik**... The Grim Reaper in a red cloak to show the more feminine side of it to capture the fact that death is both brutal and beautiful.. or little red riding hood. whatever.

**ELVA LOMELI...**My myth is about a young man who during the day is a normal clown with face paint and kids surrounding him, but when the moon comes out he unzips and becomes a man killing zombie.

**LUBNA MIRZA #1...**This image depicts the legend of "Lady Luck." She brings good or bad fortune. She stands there, with a ring on her finger, and your luck can go either way.

**LUBNA MIRZA #2...**This image depicts the common myth of "Wishing Upon a Star." A boy gazes off into the starry night, trying to make his wishes come true.

**RHYS BAKULINSKI...**My piece represents the goddess of music and creativity.

**RUDY RUIZ...**about Jekyll and Hyde where there are two sides of a person: good and bad

**SARAH GODAWA #1...** is about the Pisces zodiac sign.

**SARAH GODAWA #2...** is about the cancer zodiac sign.

**MIKAYLA SORIANO...**My image is conveying the myth of doppelgangers. It is said that we all have an identical twin that walks the earth, and one twin is good while the other is evil. The twist is that we never know which side we are really on.

**JESSICA VASQUEZ#1...** is about Medusa: Medusa is no longer a girl with snake hair but is now becoming a snake as well

**JESSICA VASQUEZ#2...** represents a skeleton that is disguised as a real person but is only exposed when there is light.

**Yael VELASQUEZ...**Creepy Zombie just waiting for for a human.
